### ELEVATE YOUR CAREER IN CANCER MEDICINE

This program offers an exceptional gateway for young cancer physicians eager to shape the future of oncology. Whether your path is in medical oncology, hematology, urology, radio-oncology, gynecology, pathology, surgery, or dermatology, you'll gain the tools and experience to advance your career and actively contribute to cutting-edge clinical cancer research.

### WHY YOU SHOULD JOIN

- 1) expertise in oncology
- 2) presentation skills
- 3) networking opportunities
- 4) writing skills
- 5) insights in trial development
- 6) a closer look into Grant submission and Patient and Public Involvement
- 7) statistic course
