

A close-up photograph of two hands clasped together. The hand on the left is wearing a blue sleeve, and the hand on the right is wearing a white sleeve. The background is blurred, showing more of the white sleeve and a dark surface.

Sponsorship Dossier 2026

Clinical research for a cure tomorrow

Swiss Cancer Institute Partnership

Partnership Package / Benefits	Partner Platinum CHF 7'500, excl. VAT (per year)	Partner Gold CHF 3'900, excl. VAT (per year)
Logo presence in Swiss Cancer Institute annual report and on Swiss Cancer Institute website	✓	✓
Invitation to industry pool meeting *see details on next page	✓	✓
Participation of company representatives per day at the Swiss Cancer Institute Semi-Annual Meeting Spring (in open meeting sessions)	5	3

Policy change as of 2026:

Event sponsorship with the Swiss Cancer Institute is now open to companies without a formal partnership agreement. However, the benefits outlined above are exclusive to official partners, who purchase one of the partnership packages.

The new model welcomes a wider range of companies, including small and medium enterprises.

Location tbd | August 2026

Industry Pool Meeting

Swiss Cancer Institute – the HUB for Clinical Cancer Research in Switzerland

At the Industry Pool Meeting, we will share insights into our work, discuss current topics in cancer research with experts, and address issues that matter to all of us. Take this opportunity to exchange ideas and enjoy relaxed conversations with colleagues.

Included in the
Gold & Platinum
Industry Pool
Partnership

Young Oncology Academy (YOA)

Promoting Young Oncologists

The central piece of our initiative to support young oncologists is the Young Oncology Academy – a mentoring program for max. 12 early-career research oncologists. The program is designed for resident physicians with a strong focus on cancer medicine who want to actively contribute to clinical and translational research.
